

The Cornell Lab of Ornithology appreciates your interest in using eBird range maps from ***Birds of the World*** for use in the below listed project. We are pleased to grant you permission to use the maps as long as full credit is given. The following conditions apply:

- This permission and use is not transferable to any other product or publication. Any use of the content other than as herein described will again require the permission of the Cornell Lab of Ornithology.
- The Cornell Lab of Ornithology gives no exclusive rights to any publisher, author, or photographer.
- It is understood that neither the publisher nor the author may use or authorize others to use the content for any purpose whatsoever, other than as herein indicated.
- The aforementioned digital material will be destroyed immediately following use.
- We would request an acknowledgement something along the order of "from The Birds of The World, birdsoftheworld.org, published by the Cornell Lab of Ornithology."
